

Chevron Offshore Pension Plans Administrators.

The benefits you currently receive and your plan's rules are not affected by this change.

Some pensioners receive a portion of their benefit directly from the Bermuda Trust and the other portion from an insurance company. Contact the Buck Consultants Benefit Service Center for questions about the Bermuda Trust portion of your payment. Please remember that for some situations, like a change of address or banking instructions, you must contact both the Buck Benefits Service Center and the insurance company (if applicable) to have the change applied to both portions of your pension benefit.
